SOUTHWOLD TOWN PLAN - PUBLIC MEETING

MONDAY 12 MARCH AT 7 p.m.

IN ST. EDMUND'S CHURCH HALL

TOWN PLAN - PUBLIC MEETING

The importance of this occasion cannot be over-emphasised as the town has an opportunity to embrace a spirit of *Neighbourhood*, as envisaged in the recently approved *Localism Act*, and engage in the formulation of a strategic plan that could inform local decision-making for the next five to seven years.

Why should we carry out an appraisal?

- involves the whole community and allows everyone to have her or his say;
- encourages participation in local democracy;
- demonstrates the community's need for more facilities and better access to services;
- identifies local disadvantages and assists in determining which need to be preserved, strengthened or implemented.

This spirit of *Neighbourhood* has the potential to move outwards from the centre and the town council anticipates that other parish councils, in the immediate vicinity of Southwold, will be formulating their own strategic plans that would, inevitably, be linked directly with its own adopted framework in future submissions to Waveney District Council, our principal local authority. Shared plans at this stage, however, are not viable, since the nature of each requires a boundary-based appraisal that is required to have an engaging specificity and purpose.
